Senior High School Teaching Guides Checklist

Which guides to download, for which grade — SY 2026-2027. From matatagcurriculums.com.

Grade 11 — Strengthened SHS (DepEd Order No. 017, s. 2026)

- ■ Session guide for each core subject (Effective Communication, General Mathematics, General Science, Life and Career Skills, Pag-aaral ng Kasaysayan at Lipunang Pilipino).
- ■ Budget of work (BOW) for each core subject — check the term-by-term pacing.
- ■ Unpacked competencies for each core subject.
- ■ Lesson exemplars (LE) for the current quarter — one per competency.
- ■ Learning activity sheets (LAS) to go with each exemplar.
- ■ Elective guides for the clusters your school actually offers (Academic or TechPro).
- ■ Confirm the files say "Strengthened SHS" on the cover page before printing.

Grade 12 — 2016 Curriculum (non-pilot schools)

- ■ Original 2016 teaching guides for your core subjects (General Mathematics, Statistics and Probability, Earth and Life Science, Basic Calculus, Pre-calculus, Disaster Readiness and Risk Reduction).
- ■ Teaching guides for applied and specialized subjects you teach.
- ■ Do NOT use the new Grade 11 session guides for Grade 12 classes.
- ■ Ask your LRMDS coordinator whether your school piloted the new program in SY 2025-2026.

Where to get them

- ■ DepEd Learning Resource Portal — lrmds.deped.gov.ph (filter by grade, subject, and resource type "Teacher's Guide").
- ■ Strengthened SHS learning materials page on the DepEd LR Portal (per-quarter exemplars and activity sheets).
- ■ Your region or division LR portal for contextualized materials.
- ■ Your school LRMDS coordinator — for printed copies and version checks.
- ■ Never pay for a teaching guide — every official file is free.
